Encl: (1) Work Request Form, NAVFAC 9-11014/20

(2) Facilities Requirement Survey(3) Facilities Inspection Checklist

- 1. <u>Purpose</u>. To establish responsibilities and procedures for the allocation, assignment, utilization, change in function, and termination of assignment of all Marine Corps Air Station (MCAS) Miramar facilities space included in the real property records. This Order establishes the Host-Tenant process that outlines organizational responsibilities for facilities space management, as well as office and administrative space planning guidelines in accordance with references (a) through (h). Facilities space usage and functionality will follow the guidelines of reference (f). It also outlines procedures to be used in reviewing, controlling, coordinating, and documenting facility space issues in accordance with references (c) through (f). This Order applies to all MCAS, Miramar Commands and tenant organizations.
- 2. <u>Introduction</u>. The facility management process consists of reviewing, documenting, coordinating and processing requests for facility space usage and assignment. Management of MCAS, Miramar facilities include, but are not limited to; hangars, maintenance shops, office spaces, recreation facilities, community services, warehouses, concessionaires, and other facility related space requirements to include Appropriated and Non-appropriated funded activities.

3. Procedures for Requesting and Assigning Space. Requests for space, as well as any changes in utilization or modifications within a facility, will be submitted by MCAS, Miramar Department Heads, 3d Marine Aircraft Wing (MAW) commands with an endorsement by the Assistant Chief of Staff (AC/S) G-4, 3d MAW and other Tenant Organization Commands to the Assistant Chief of Staff G-4, Installations and Logistics, (Attention: Public Works Officer). Requests will be submitted on a standard Work Request Form NAVFAC 9-11014/20, as shown in enclosure (1), with enclosure (2) Facility Requirements Survey, as an attachment. If submitted via MAXIMO, include the information outlined in enclosure (2) in the description of the work/comments blocks. Facilities space will be calculated, using the guidelines outlined in reference (f). Representative space allowances are outlined in Table 1 below:

TABLE 1

DESCRIPTION	SPACE ALLOWANCE IN SQUARE FEET (REF F)
O-6/GS-15, 14	200
O-5/GS-13, Division Heads	150
O-4, O-3/GS-12, Branch Heads	100
Senior Enlisted, CWO/GS-9 Unit	110
Supervisors	
Clerical	60
Conference Room-8 persons	150

Assignment of space will be based on an increase or decrease in personnel or change in mission. The request for space must be based on an approved current personnel force structure with a signed memorandum from the Personnel Officer, AC/S G-1, and Director, Human Resources Office (HRO) for military and Appropriated Funded employees, and the AC/S MCCS, for Non-Appropriated Funded employees.

- a. Public Works Department (PWD) will:
- (1) Upon receipt of the work request, coordinate the agenda and quarterly meeting schedule of the SOC.
- (2) Ensure the SOC committee members receive and read information 15 days in advance of the scheduled meeting.
- (3) Ensure applicants for facilities space issues are invited to be present to advocate their request.

- (4) The recommendations of the SOC will be submitted to the Chief of Staff within seven working days, for final approval.
- (5) Once the approval is obtained, the requestor may submit a work request for items desired to be completed prior to occupancy.
- 4. Occupancy Agreement Process. Prior to initial assignment of a facility space, PWD Zone Managers must be advised, in writing, of the primary and alternate occupant appointed building managers. The requesting organization or command will be liable for any damages to the facility beyond "normal wear and tear," and will restore the facility to the condition of original receipt.

### a. PWD will:

- (1) Document the condition of facility space when the occupant moves in by utilizing a Facilities Inspection Checklist, outlined in enclosure (3).
- (2) The occupant's designated building manager and a PWD Facilities Maintenance Zone Manager will agree on the existing condition of the facility. A copy of the checklist will be provided to the occupant. The original copy will be filed with the Zone Manager.
- (3) Update the function and designated occupant of the facility on the Naval Facilities Asset Data Base, per references (d) and (e).
  - b. Occupant or appropriate Building Manager will:
- (1) Provide written notice to PWD/Facilities Maintenance, before vacating the premises, changing functionality or initiating any space modifications.
- (2) Upon vacating a facility, ensure the facility is clean and restored to its original condition in conformance with the facilities inspection checklist with PWD/Facilities Maintenance, enclosure (3). Occupants will use reasonable care to avoid damaging existing buildings, equipment and vegetation. Occupants shall not remove any furniture, telephones, fire extinguishers, network devices, communication equipment, network/data distribution devices or any other equipment that is permanently attached to the facility or attached to

infrastructures which service the facility, such as electrical panels, communications hubs, etc. Systems furniture will remain in place to the maximum extent possible when an occupant vacates a facility, unless formally agreed to in written correspondence by the AC/S' G-4 I&L of 3d MAW and MCAS, Miramar. Damage caused by contractors will be handled per FAR 52.237-1, Protection of Government Buildings, Equipment and Vegetation. PWD Facilities Maintenance will sign the Facilities Inspection Checklist, enclosure (3), releasing the occupant of further responsibilities, if the following conditions are met by the occupant:

- (a) If the facility is in acceptable condition.
- (b) Reimbursable costs have been identified, and in the case of contractors and/or concessionaires, funding has been provided.
- 5. <u>SOC</u>. Reviews all requests for allocations, changes in usage, or modifications of space at MCAS Miramar.
  - a. Membership of the SOC consist of the following:
    - -AC/S, G-3
    - -AC/S G-3, 3d MAW
    - -AC/S, G-4 I&L (Chairperson)
